

Lukas POTHEN, aged 24, is joining the LIFTEUROP sales team.

Lukas holds a baccalaureate in Logistics Management which he studied at the Haute École Charlemagne and the Haute École in the Province of Liège (Belgium). Originally from the German-speaking region in Belgium, Lukas speaks German, French and English and has some knowledge of Dutch. Using this knowledge of languages, he will be able to develop sales of lifting accessories on LIFTEUROP's various markets.

Young, dynamic and level-headed, Lukas is a great asset for the company: *"I am reliable and I always adopt a constructive attitude, both in my work and in my private life"*. Outside work, Lukas enjoys football and is part of a music group.
