Lukas Pothen has joined the sales team of LIFTEUROP (ALIPA Group), the Luxembourg manufacturer of lifting equipment and accessories.

24-year-old Lukas Pothen possesses a Bachelor's degree in Logistics Management from the Haute École Charlemagne and the Haute École de la Province de Liège (Belgium). Originally from the German-speaking region of Belgium, Lukas is fluent in German, French and English and also has some knowledge of Dutch. Thanks to this linguistic knowledge, he is expected to be able to develop the sales of lifting accessories in the different markets of LIFTEUROP.

Commenting on his appointment, Pothen stated: *"I am a reliable person and I always adopt a constructive attitude, whether in my work or in my private life"*. Apart from his work, he enjoys football and is part of a musical group.

Founded in 2010 and based in Wiltz, LIFTEUROP produces and distributes high-quality lifting equipment and accessories with the STAS brand's own design, the flagship of the French lifting industry, ensuring the safety of goods and people since 1953. LIFTEUROP is integrated in the lifting division of the ALIPA Group, a Luxembourg specialist in industrial packaging and lifting with some 130 employees.
